This is the man about whom Chief of Detectives Ralph Crawford of Cincinnati held a conference with Chief Donovan at the Depot the other day in regard to securing him at the expiration of his sentence here. He is wanted in Cincinnati for a trick turned there sometime ago, and knowing his guilt concluded to evade the Ohio people by making his escape at the first opportunity. He is a bad citizen and considered a dangerous man. As long as he gives this city a wide berth he is at liberty to go where he pleases, his room being decidedly better than his company.

WEDDING MARCH

Played by Maysville Groom at His Own Wedding

Cincinnati Commercial Tribune.

M. B. Mawhorter, composer of music at Maysville, played his own wedding march yesterday afternoon at the Palace Hotel, when he married Miss Bettie Hubbard, a prominent society woman of Maysville.

The Rev. Benjamin L. Smith of the Central Christian Church officiated, but when it came to the wedding march it was found that the hotel management had not engaged to furnish a musician.

Clerk Woodrow failed to find one among the guests.

After the Rev. Mr. Smith had said the last words which made the couple husband and wife, Mawhorter walked over to the piano and directly the strains of Mendelssohn's March floated through the corridors of the hotel.

When he had finished he rejoined his bride, and last night they left for Maysville.

About Rheumatism.

There are few diseases that inflict more torture than rheumatism, and there is probably no disease for which such a varied and useless lot of remedies have been suggested. To say that it can be cured is, therefore, a bold statement to make, but Chamberlain's Pain Balm, which enjoys an extensive sale, has met with great success in the treatment of this disease. One application of Pain Balm will relieve the pain, and hundreds of sufferers have testified to permanent cures by its use. Why suffer when Pain Balm affords such quick relief and costs but a trifle? For sale by all Druggists.

A MATTER OF HEALTH

WERE CAPTURED HERE

Supposed Robbers of a Manchester Store Landed in Jail

Last October the hardware and general store of Kishner & Co. at Manchester was robbed of over \$400 worth of guns, pistols, knives and other articles.

There has been an unceasing effort ever since on the part of the officers of the law to run the culprits down, and the Police of this city have exercised a diligence in the matter that is commendable.

Chief Donovan has had in his possession for some time facts which implicated Steve Deal and his gang.

Not long since a son of Deal's and Frank Jones were arrested in West Virginia and placed in Jail.

Jones confessed and told all about the Kishner robbery and where they had cached the stuff on the Kentucky side of the river.

Old man Deal became alarmed and determined to leave this section of the country, and for the purpose had secured a shanty boat to transport his goods and family, and when

stopped here and arrested was on his way to Brazil, Ind.

The desperate character of the man was well known, and he was permitted by up-river authorities to pass unmolested.

Not so here.

For two nights the city Police have been on the lookout for the floating arsenal, and when she was sighted yesterday evening floating down the river Chief Donovan and Policemen Wallace and Ryan secured the Launce by the graciousness of Captain Phister and headed straight for their prey with the expectation that a lively fight was ahead of them.

They ran alongside and stepping aboard the craft secured the surrender of the gang without firing a shot.

The boat was lashed to the ferryboat and towed to the landing.

The party consisted of Steve Deal and son, Marshall Collins and son and Almer Salmond, together with eight women and five children.

The men were taken to Police Headquarters and after consultation by the city officials, the two Deals, father and son, were placed in Jail and the other three permitted to return to the shanty boat.

The Deals are said to belong to a murderous gang that has infested these parts for years and are credited with all kinds of crimes.

It is only a short time since that one was killed in Virginia by a trap gun while trying to rob a store.

The capture of the boat was witnessed by several hundred people who lined the river front expecting to see a battle royal and several killed. No doubt some were disappointed that the affair was a bloodless one.

The officers making the capture deserve great credit.

Mr. George Rhodes of Murphysville has a case of diphtheria contracted while cleaning and papering the wall of a room that had been occupied by a diphtheria patient.

Henry Wells, charged with the murder of Frank Amos at Sharpsburg last Friday night, was discharged from custody at his examining trial at Owingsville yesterday. He proved a clear case of self-defense.

BOER WAR SPECTACLE

Impressive Exhibition to Be Seen in Maysville Next Wednesday.

One of the most impressive scenes in the Boer War Spectacle, to be seen in Maysville on Wednesday, May 3d, is the one illustrating the famous battle of Paardeburg and the surrender of General Cronje to the victorious British under Lord Roberts. When the fighting is over and the white flag of truce is hoisted, the old Boer hero himself rides out at the head of his men and gives himself up to the British. This scene, re-enacted as it is by some of the very men who were present at the real battle of Paardeburg and experienced all the attendant horrors, never fails to give the onlookers a vivid and realistic idea of all the terrors of modern warfare, and he leaves the grandstand with an earnest desire for universal peace.

Many people wonder how it is that General Cronje can bring himself to re-enact this most tragic scene; a more sensitive man would have retired, brooding, and starved and cursed his country's ingratitude. Cronje is practical, unconventional and unhampered by class-ideas, and he is seeking to repair his lost fortune.

Another scene is a clever representation of one of the famous General Devet's daring escapes, when hemmed in on all sides by a superior force of British, and affords a good opportunity for the Boers to display their clever horsemanship, at which they are unexcelled.

Chamberlain's Cough Remedy the Best and Most Popular.

"Mothers buy it for croupy children, railroad men buy it for severe coughs and elderly people buy it for a gripe," say Moore Bros., Eldon, Iowa. "We sell more of Chamberlain's Cough Remedy than any other kind. It seems to have taken the lead over several other good brands." There is no question but this medicine is the best that can be procured for coughs and colds, whether it be a child or an adult that is afflicted. It always cures and cures quickly. Sold by all druggists.

Tomorrow at 10:30 a. m. Rev. C. F. Evans, D. D., will preach the fourth sermon of the series on the Commandments on "The Misuse of the Divine Name." At no time in his pastorate has he discussed a theme more vital to religion or civil Government and he doubtless will have a large hearing from the people he seeks to help. He is particularly anxious for the young men and women to hear this topic discussed. At night he will preach on "The Right Following of Christ."

CAN'T BE SEPARATED

Some Maysville People Have Learned How to Get Rid of Both

Backache and kidney ache are twin brothers. You can't separate them.

And you can't get rid of the backache until you cure the kidney ache.

If the kidneys are well and strong, the rest of the system is pretty sure to be in vigorous health.

Doan's Kidney Pills make strong, healthy kidneys.

Mrs. J. E. Gibson, of 22 East Fourth street, Maysville, Ky., says:

"The prompt and thorough action of Doan's Kidney Pills should recommend them to every one suffering from backache or kidney troubles. I have known the value of this remedy for several years. Its use in my case proved to me that it is a reliable kidney cure and cannot be excelled for backache or weaknesses of the kidneys. I have recommended Doan's Kidney Pills before and I should advise every sufferer to get a supply at J. Jas. Wood & Son's Drugstore and try them."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.

For a Weak Digestion. No medicine can replace food, but Chamberlain's Stomach and Liver Tablets will help you to digest your food. Thousands have been benefited by their use. They only cost a quarter. For sale by all Druggists.

SOCIETY

Mr. and Mrs. James Gillespie celebrated the r' fiftieth wedding anniversary by giving a reception at their beautiful country home near Tollesboro this week.

The dining-room was beautifully decorated in purple and green, with perfume from the most beautiful flowers of the season.

There were about forty guests present, who brought numerous presents, among which were gold spectacles, a silver mounted teapot, rocking chairs, gold-banded dishes, gold-lined cake plate and money.

One feature of the reception, which seldom occurs, was at the first table, where there was not one less than 60 years old and six were over 70.

After a very pleasant day, the guests joined in extending hearty thanks for a most delightful time and wishing the venerable couple much happiness through the remaining part of their married lives.

The Washington school closed yesterday.

Orioles, those delightful songsters, have made their appearance.

The Parry school closed last week.

Mr. George R. Humphreys is considerably improved.

A HAPPY MOTHER

WEATHERFORD, TEXAS.
May 14, 1908.

Before my baby was born I was in great misery. I was just able to be about but just as soon as I began to take Wine of Cardui, which had been recommended to me, I felt much better. In fact I feel that if it had not been for this medicine I would not have been strong enough to live through childbirth. But that was made comparatively easy by taking your medicine for four months before baby came. Wine of Cardui restored my health as I took it two months afterward. I cannot speak too highly of Wine of Cardui and I am glad to endorse it.

It cures nineteen out of every twenty cases of bearing-down pains or ovarian trouble. Wine of Cardui cures barrenness and aids the mother in conserving her strength for the ordeal of childbirth. After that event the Wine prevents dangerous flooding and helps mother to quick recovery. Wine of Cardui is the one medicine a mother should use before and after childbirth.
